

Final Agenda

Promoting Zero Carbon City through making "Decarbonization Domino Effect"

SIDE EVENT of Asia Pacific Climate Week 2021

Date and Time:

BLOCK1: 15:00-17:00 (GMT +9, Tokyo Time), 6 July 2021

Organizer

Ministry of the Environment, Japan (MOEJ) and ICLEI

Agenda

(Moderator: UCHIDA Togo, Executive Director, ICLEI - Local Governments for Sustainability, Japan Office)

15:00-15:15 Opening

Welcome Remarks:

- SHODA Yutaka, Vice-Minister for Global Environmental Affairs, MOEJ
- Gonzalo Muñoz Abogabir, High-Level Climate Champion, UNFCCC (VM)
- Emani Kumar, ICLEI Deputy Secretary General Regional Director, ICLEI South Asia Secretariat

15:15-16:57 Toward decarbonizing cities

Key note

- Dato' Sr Hj Rozali Bin Hj Muhammad Mayor of Seberang Perai Municipal Council in Malaysia
- Alfredo Coro Vice Mayor, Municipality of Del Carmen, Philippines

Good practice from Cities and multilevel collaboration:

- NAGATA Aya, Director of Energy Policy Department Global Environment Policy Office, City of Kyoto
- YOSHIDA Tetsuro, Manager, Kawasaki Environmental Research Institute
- C Y Bhatt, Deputy Municipal Commissioner Surat Municipal Corporation Gujarat, India
- SUGIMOTO Ryuzo, Director, International Cooperation and Sustainable Infrastructure Office, MOEJ
- Junping Ji, Harbin Institute of Technology, Shenzhen - Associate Professor;
Shenzhen Engineering Laboratory of Big Data for Low-Carbon Cities - Deputy Director
- James Grabert, Director of Communication and Engagement, UNFCCC

Discussion

How can we develop leading decarbonized area?

How can we spread leading model to other area as "decarbonization domino effect"?

What support or cooperation is needed for cities to achieve their own ZCC and this domino effect?

16:57-17:00 Closing

- SUGIMOTO Ryuzo, Director, International Cooperation and Sustainable Infrastructure Office, MOEJ
